Meeting Date: 13th October 2022 9:00- 11:00 CET (virtual Meeting)

On the day 13th October 2022 the ER2FOOD Selection Committee met in order to formalise the Selection of the companies for the 2nd phase of the project.

Given that:

- application for the Egyptian MSMEs was closed last 31st August 2022
- ER2FOOD project received a total number of 27 applications

The Selection Committee proceeded with the selection of applicants on the basis of the following selection criteria indicated in the application announcement:

- the company must have a legal entity registered in Egypt (automatic for CFI members)
- the company must be a company operating in the baking value chain (i.e. producing bread, pastry, baking mix, biscuits, etc.)
- the company must be compliant with the definition of micro, small or medium-sized enterprise (investment capital of maximum EGP 200 million)

Based on the information reported in the application form and in the supporting documents (balance sheets, commercial registration, tax card), the ER2FOOD Selection Committee proceeded with the selection of the following companies:
